ACCREDITED LEVEL 5:

EVENT DESIGNATED SAFEGUARDING LEAD

Course Aims:

This comprehensive Level 5 accredited course is designed for individuals aiming to become Event Designated Safeguarding Lead. It offers an in-depth exploration of the necessary skills and knowledge required to ensure the safety and well-being of attendees at events. Over the course of the day, participants will dive into identifying potential risks, implementing robust safeguarding protocols, engaging in detailed pre-event planning, learning through real-life examples, and understanding both response planning and the referral process in depth. The program is committed to promoting an environment that is both inclusive and respectful, with a strong emphasis on addressing issues related to safeguarding and child protection effectively. Upon completion, participants will be fully equipped to confidently manage a variety of event safeguarding scenarios, with a clear focus on prioritising the safety and well-being of all event participants. This course not only prepares individuals to handle safeguarding responsibilities at events but also qualifies them as Event Designated Safeguarding Officers, ready to lead their teams in creating safer event spaces.
